

IN SUPPORT OF LOCAL FOOD PRODUCERS

Slow Food Madera Presents: **Home on the Range**

On April 5th Slow Food Madera will celebrate the scenic beauty and sizzling taste sustained by the range land and cattle ranchers of Eastern Madera County. Historian, Bill Coate, cattle rancher, Michele Lasgoity and botanist, Bob Edminster will be our guides on a bus tour of the range land. The tour will educate us about ranch management, sound stewardship and the bold history branded by brave ranchers. Representatives of the cattle men and women's associations will be at the barbeque following the tour. They too will educate us as we enjoy a delicious beef barbeque. Information about the fine food and wine served at this feast will also be available. Rather than too much talk at this Slow Food feast we will allow plenty of time for casual conversation. Join us for a great day!
